## Elections for Algonquin Negotiation Representatives Algonquin Land Claim

Dear Sir/Madam

I have been retained to serve as the Enrolment Officer for the purpose of enrolling people of Algonquin descent who will then elect Algonquin Negotiation Representatives (ANR's) to participate in negotiations with Canada and Ontario hopefully leading to a resolution of the long outstanding Algonquin Land Claim.

Our records show that you are entitled to participate in the election but we do not have a record of the Community with which you are affiliated. According to the terms of the Addendum to the Protocol Agreement entered into between Pikwakanagan and ANND, you have the right to select the Community with which you want to be affiliated and to vote for an ANR to represent that Community. The Algonquin Communities that have been thus far identified for this Election are Ardoch, Sharbot Lake, Mattawa/North Bay, Antoine, Bonnechere, Greater Golden Lake, Whitney, Bancroft and Ottawa.

If you want to participate in electing a representative for your Community please do the following:

1. Fax, write or e-mail this office giving your full name, date of birth, address, and phone number and state the name of the Community with which you want to be affiliated. Please send this notice by **Friday, March 18, 2005.**
2. **If we do not receive notification you will not be able to participate in the election.**

Thank you for your time and attention to this matter. For more information on the election of representatives for the Algonquin Land Claim or to read the Addendum to the Protocol Agreement visit [www.blaney.com/algonquin.htm](http://www.blaney.com/algonquin.htm)

Sincerely
