INDEPENDENT AUDITOR'S REPORT

To the members of,  
Algonquin Treaty Negotiation Funding Trust.

I have audited the accompanying financial statements of the Algonquin Treaty Negotiation Funding Trust, which comprise the balance sheet as at 31 March 2015, and the statements of deficit, consolidated statement of revenue and expenses, revenue and expenses for the Workplan, Negotiation Preparedness Initiative, Gathering Strength - Reorientation of Self Government, Consultation Program, Other Funding and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

*Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Accounting Standards for Private Enterprises, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian Generally Accepted Auditing Standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

*Opinion*

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Algonquin Treaty Negotiation Funding Trust as at 31 March 2015 and the results of its operations for the year then ended in accordance with Canadian Accounting Standards for Private Enterprises.

Algonquin Treaty Negotiation Funding Trust

Notes to the Financial Statements

For the year ended 31 March 2015

1. NATURE OF THE TRUST

The Algonquin Treaty Negotiation Funding Trust was created on 20 December 2005. The objective of the Trust is to facilitate the negotiations for claim agreements with the Crown. The Trust is overseen by sixteen elected individuals from ten Algonquin communities, three of whom are appointed as trustees.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian Accounting Standards for Private Enterprises and include the following significant accounting policies:

a) Basis of accounting:

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or the legal obligation to pay.

b) Use of estimates:

The preparation of financial statements in accordance with Canadian Accounting Standards for Private Enterprises requires the Trust's management to make estimates that affect the reported amounts of assets and liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

c) Cash and cash equivalents:

Cash and cash equivalents are comprised of cash in trust account and investments due no greater than three months from the date of acquisition or that are cashable on demand.

d) Income taxes:

The Trust uses the income taxes payable method of accounting for income taxes. Under this method, the Trust reports as an expense (income) of the period only the cost (benefit) of current income taxes determined in accordance with the rules established by taxation authorities.

e) Revenue recognition:

Revenue is recognized on an accrual basis as expenditures are made on approved line items from the funding agencies.

f) Financial instruments:

The Trust's financial instruments consist of cash in trust account, accounts receivable, funding receivables, due from Algonquin Opportunity (No. 1) Corporation, due from/to Algonquin Opportunity (No. 2) Corporation, accounts payable and accrued liabilities and loan payable. The carrying amount approximates their fair value, except where fair values are not readily obtainable.

3. FINANCIAL INSTRUMENTS

Risks and concentrations:
