

Job Title: Summer Student - Canada

Make what you do matter.

Summer Student - Canada

Location: Various Locations
Employment Type: Summer Student Full-time
Relocation Eligibility: None

At TransCanada we dream big, think big and do big things. For over 60 years, we've had the vision and scale to deliver big things that matter to the world. From supplying reliable and efficient energy to millions of North Americans with our pipelines, gas storage and power generation facilities, we believe in making big things possible.

TransCanada is looking for Summer Students who are willing to think about the future... and think big.

We emphasize the importance of valuable work for our Summer Students. We are devoted to providing a learning environment where students can gain valuable skills and experiences that contribute to their future careers while also learning about TransCanada's business and culture. The students' responsibilities will be dependent on their team and work location. Some of the possible work responsibilities include but are not limited to:

Specialized Summer Student Roles:

- Research and data entry;
- Updating and compiling reports;
- Assisting project managers, engineers, colleagues, etc.;
- Records management;
- Updating process manuals;
- Working with engineered drawings;
- Stakeholder engagement;
- Analytical duties;
- Other tasks as required.

General Summer Student Roles:

- Painting;
- Lawn/yard maintenance;
- Working with field technicians on maintenance activities;
- Planned inspections;
- Data review/entry;
- Shipping and receiving;
- General clean-up and maintenance duties;
- Administrative duties;
- Other tasks as required.

Please review this document *before* you complete the Summer Student Application.
