- Packages must be securely fastened to skid. Banded or shrink wrapped.
- Must be willing to work with Hydro One, especially Barrie Warehouse, to make any necessary changes to packing slips, packaging etc.
- Order unit/quoted price must be per Package (PAC)
- Supplier's willingness to take advantage of our Crossdock options.
- Supplier response must specify the following:
Package/bundle quantity
Full Skid quantity
- Supplier to specify any Minimum Order Quantity (MOQ) or if we can purchase per quantity 1.
- Supplier to specify lead time.
- All items stocked at the Barrie Warehouse must be on an OA so suppliers must be willing to add new items as required keeping T&Cs the same.
