Introduction

The Tribunal received a submission from one individual in support of retaining the ancestor Joseph Paquette (RIN #11371) on the Schedule of Algonquin Ancestors. The submission is posted on the Tribunal's website at:

https://www.tanakiwin.com/tribunal/josephpaquette/

The submission appears on the website as:

• Document 2 – Initial Submission by C. Paquette

The submission was filed in response to the Enrolment Officer's Report on Ancestor Joseph Paquette, dated September 2022, which is posted on the website as Document 1 – Enrolment Officer's Report Regarding Ancestor Joseph Paquette (RIN #11371).

This responding report addresses the content of the submission that is relevant to the Tribunal's inquiry, which is to determine whether Joseph Paquette is identified in a historic record or document dated on or before December 31, 1921, in such a way that it would be reasonable to conclude that he was considered to be an Algonquin or Nipissing, or a sibling of such a person. A "sibling of such a person" means a person with a common Algonquin parent.

The submission refers to some documents and facts that are contained in the Enrolment Officer's Report. As noted in the Enrolment Officer's Report, archival documents recording a family's life events have been assigned ALG document numbers; RIN numbers have been assigned to individuals discussed in the report to aid in identification. Both RIN numbers and ALG numbers will be referenced in this report for ease of discussion.

Document #2 – Initial Submission by C. Paquette

The respondent Charles Paquette submitted a document in support of Joseph Paquette (RIN #11371) by way of an email to the Tribunal dated November 15, 2022. The submission included a covering letter, photographs, a summary of the respondent's family lineage, an extract of a power point presentation, two testimonies from family members, and two newspaper articles.

This responding report comments on the points made in Mr. Paquette's submission that are within the purview of the Enrolment Officer to address. For ease of reference, the issues raised by the respondent are organized into sub-sections. Documents containing factual information are footnoted by ALG reference numbers; individuals are identified by RIN numbers, when available. Those documents enclosed with the Enrolment Officers Report can be viewed with that report. The Enrolment Officer has included some new documents in this responding report which are listed in Appendix A and appended to the report in Appendix B.

Named ancestors: John Isaias, Emile and Edgar Paquette

The respondent referred to several ancestors and family members as follows:

• His father, Edgar Paquette (aka White Owl);

Enrolment Officer's Responding Report regarding Ancestor RIN #11371

- His grandfather John Isaias Paquette;
- Emile Paquette, born in 1909 in Pembroke and married in 1937 in Pembroke;
- Emilie's son Gerard Emile Lionel Joseph Paquette, born in 1953;
- Emile's father Alexandre Seraphin Paquet; and
- Emile's grandfather Oliver Paquette Sr. (RIN #14052).

The respondent's family tree has been documented with baptismal, marriage and burial records by the Enrolment Officer and is outlined below for ease of reference:

- Charles Paquette's father is *Edgar Paquette* (RIN #15290, born 1921);
- His paternal grandfather was John Issias Paquette (RIN #14670, born 1885);
- His paternal great-grandfather was *Oliver Paquette Sr.* (RIN #14052, born 1838);
- His paternal great-great-grandfather was *Jacques Paquette* (RIN #14047, 1800-1859, baptized and married in St. Martin, Laval County, buried in Terrebonne County);
- His paternal great-great-great-grandfather was Joseph Paquette (RIN #11371, 1761-1818, baptized and married in St. Vincent de Paul, Laval County, buried St. Martin, Laval County); and
- His paternal great-great-great-great-grandfather was *Joseph Paquet* (RIN #31074, married in St. Vincent de Paul, Laval County in 1760, buried St. Martin, Laval County in 1813). His parents were documented as being Jacques Paquet Pasquier (RIN #29631) and Marie Anne Richard Tallard (RIN #31079).

This documented family lineage shows that the respondent shared an ancestor named Oliver Paquette Sr. (RIN #14052) with the Emile Paquette referenced in the respondent's submission. Oliver Paquette Sr. is the respondent's great-grandfather and Emile Paquette's grandfather making the respondent and Emile first cousins once removed.

Places of residence of respondent and his family members

The respondent indicated that he and other Paquette family members "have live in the Petawawa area for two centuries, and in Lower Canada before that, in territory that falls both in and outside the AOO's settlement area."

Documentary evidence described in the Enrolment Officer's report on pages 7 to 12 and depicted in chart format in Appendix 1 show that the respondent's ancestors had moved to the Ottawa Valley area by the early 1860s. Prior to relocating to the Pembroke/Petawawa area Oliver Paquette Sr.'s ancestors resided in the Province of Quebec, outside of the Algonquin settlement territory. The documents that demonstrate these facts are listed in Appendix 2 and 3 and attached as document images in Appendix 4 of the Enrolment Officer's Report. In summary:

• None of documented events for the respondent's family line take place at the Algonquin or Nipissing villages at the mission at the Lake of Two Mountains.

- Family members in the respondent's direct line of descent were first documented in the Ottawa Valley in 1863 by the marriage of Oliver Paquette Sr. (RIN #14052) to Olive Chartrand in Pembroke. Oliver had been baptized at Ste. Scholastique near Mirabel, Quebec in 1838.
- Oliver Paquette Sr.'s children were baptized in Pembroke beginning in 1865.
- Oliver Paquette's natal family was known to live in the parish of Ste. Scholastique and St. Augustin in the County of Deux Montagnes with events recorded there in 1838 and 1844 Prior to that time, the family obtained services in St. Eustache (1824-1827) and prior to that in St. Martin, Laval County (1800, 1823).
- The outline of family events shows that family members in the respondent's direct lineage did not come into the Ottawa Valley until sometime between 1845 and 1863.
- The most recent generations of the respondent's paternal family (from his great grandfather Oliver Paquette Sr. forward) have resided in the Ottawa Valley.

The Name on the 1825 census of the Algonquin Village at Lake of Two Mountains

As shown in the Enrolment Officer's report, the name on the 1825 census of the Algonquin Village at the mission of Lake of Two Mountains was transcribed as Joseph Paqette in the early stages of the Enrolment Process. A clearer copy of the 1825 census shows that the name was more likely, Joseph Payette.

The 1825 census indicates that Joseph Payette was the head of a six-person household. Extrapolating from the breakdown of the household by gender and age group, Joseph Payette was either a married man 18 to 25 years or age or a man over sixty who was either widowed or unmarried. This would put the birth date of the Joseph Payette on the 1825 census as either prior to 1765 or between 1800 and 1807.¹ The details of the household breakdown are provided on pages 5 to 6 of the Enrolment Officer's Report.

Regardless if the name is properly transcribed as Payette or Paqette, the ancestors of the respondent do not correspond by age range or by place of known residence/events to the head of household in the Algonquin Village. For example:

- The respondent's great great-great-great-grandfather, *Joseph Paquet* (RIN #11371) was buried in 1818 in Laval County where he had been married five decades earlier. He was deceased before the 1825 census so clearly could not be the man on the census.²
- The respondent's great-great-grandfather, *Jacques Paquette* (RIN #14047) was alive at when the 1825 census was taken at the Lake of Two Mountains mission. However, his name was Jacques not Joseph. He was born and baptized in St. Martin, Laval County in 1800, married there in 1823, and then buried in Terrebonne County in 1859. He lived in Deux Montagnes County for a time where his children were baptized at St. Eustache from 1824 to 1827. He was resident in Montreal at the time of his marriage in 1823. These areas of residence were remote to the mission at the Lake of Two Mountains and

¹ ALG-40054

² ALG-40017, report page 8

no documents related to this man are associated with the Algonquins or the Algonquin village at the mission at Lake of Two Mountains.³ Furthermore, no details of the ancestors of Jacques Paquette (RIN #14047) show any connection to Algonquin or Nipissing heritage.

As noted in the Enrolment Officer's Report, in addition to researching possible men named Joseph Paqette (various spellings) and his family who were associated with the Lake of Two Mountains village, the Enrolment Officer conducted additional research into the identify of the "Joseph Payette" that is identified as the head of a household in the Algonquin Village in 1825. That research did not locate any additional records for anyone by either name that fit the profile recorded on the census. That research is discussed at pages 11 to 12 of the Enrolment Officer's Report.

Indigenous Grandmother

The respondent states that his grandmother was also Native/Algonquin. This may be a reference to Melvina Marie Brunet (RIN #1461) the wife of John Issias Paquette (RIN #14670). Her possible indigenous ethnicity has not been demonstrated. This could also be a reference to his great-grandmother Olive Chartrand (RIN #14054) whose possible indigenous ethnicity has not been demonstrated.

Silent Community – the Baptiste Paquette Family

The respondent's submission included three-pages extracted from a PowerPoint presentation entitled "The Silent Community: A Case Study in Cultural & Heritage Presentation in the Ottawa Valley". The presentation identifies families who were displaced by construction at Deep River in the Townships of Rolph, Buchanan, Wylie and Mckay. The area was known as the "Indian Settlement." An aerial photograph from 1938 had the names of families superimposed on Lots 4 and 5, which were within the "Indian Village." One cabin is indicated as belonging to Teresa Lamure and Baptiste Paquette. Several other Lamure families live adjacent to the Paquette/Lamure cabin.

- The baptismal record for Baptiste Paquette (aka Jean Baptiste Paquette, RIN #9829) states that he was the natural son of Marie Montreuil (RIN #5314). No father was named.⁴ The church and civil marriage records for his 1909 marriage identified his parents as Oliver Paquette Jr. (RIN #14055) and Marie Montreuil (RIN #5314).⁵
 - Baptiste Paquette's father, Oliver Paquette Jr. (RIN #14055) was the son of Oliver Paquette Sr. (RIN #14052) and Olive Chartrand (RIN #14054) who have been discussed above and whose Indigenous descent has not been proven.⁶

⁴ ALG-40515

⁵ ALG-01264, ALG-40516

⁶ ALG-40517

- Baptiste Paquette's mother, Marie Montreuil (RIN #5314) was a descendant of Marie Kakwabit (RIN #7993) and her father Pierre Edouard François Kakwabit (RIN #6849) who is on the Schedule of Algonquin Ancestors.⁷
- Hence, Baptiste Paquette (RIN #9829) was Algonquin through his mother's line (Montreuil/Kakwabit) which has been proven. No Indigenous heritage has been proven through his father's line (Paquette).
- Baptiste Paquette (RIN #9829) married Mary Philomene Lamure (aka Teresa Lamure, RIN #9826) in 1909 at Point Alexander in Rolph, Buchanan and Wylie Township. Their marriage documents name their parents.⁸ Baptiste and Mary Philomene's maternal grandmothers were sisters.
 - Philomene Lamure's father, Jean Baptiste Lamure (RIN #2305) was the son of Joseph Lamure Sr. dit Pakwatcinini (RIN #2273) and Marie Angelic Chicachiwanokwe (RIN #2303) both of whose fathers, François Wabikekek (RIN #6205) and Joseph Pekakasiketch (RIN #6527), are on the Schedule of Algonquin Ancestors.⁹
 - Philomene Lamure's mother, Marie Monique Pilon (RIN #3113) was the daughter of Marie Josephte Kakwabit (RIN #5453), whose father François Kakwabit (RIN #6849) is on the Schedule of Algonquin Ancestors.¹⁰
 - Hence, Philomene Lamure (RIN #9826) was Algonquin through her mother's line (Pilon/Kakwabit) and her father's line (Lamure/Wabikekek) which have been proven Algonquin.

The descendants of Baptiste Paquette and Philomene Lamure derive their Algonquin heritage through Baptiste's maternal line and Philomene's maternal and paternal lines. The 1921 census lists the Paquette/Lamure family living in the Township of Rolph adjacent to Jean Baptiste and Mary Lamure, the parents of Philomene; David Pilon (RIN #5455), Philomene's maternal uncle; and Benjamin Lucas (RIN #9550) who married Philomene's sister Jane Lamure (RIN #3114). Some of these individuals are identified on the census record as Algonquin and most are noted as speaking Algonquin. ¹¹

Baptiste Paquette who lived with his wife Philomene Lamure at the "Indian Billage," noted in the respondent's submission, was a first cousin once removed from the respondent. Oliver Paquette Sr. was the common ancestor in each man's paternal line. The fact that Baptiste Paquette had Algonquin descent through his mother and her ancestors does not confer Algonquin descent on his relative through his paternal line.

Enrolment Officer's Responding Report regarding Ancestor RIN #11371

Testimonies

Two statements were included in the respondent's package, as follows:

- Dwight Paquette signed a statement on October 7, 2020 indicating that his father, Oswald Paquette, informed him that "the PAQUETTE family had a native blood line (ALGONQUIN) through his father and was known by other family members."
 - Oswald Paquette (RIN # 16101, born 1920) is a son of John Issias Paquette and Melvina Marie Brunet (RIN #14671). He is a grandson of Oliver Paquette Sr. Oswald Paquette is a first cousin of the respondent, as they share a grand father, John Issias Paquette and great grandfather Oliver Paquette Sr. as well as the ancestors from previous generations as shown in the respondent's family tree.
 - The statement did not identify the name of the Indigenous ancestor. As noted in the Enrolment Officer's Report, no Indigenous heritage has been documented among the direct lineal ancestors in this line.
- Ronald Romain Sr. provided a page long statement regarding his great-grandfather Oliver Paquette Sr. He stated that Oliver settled at Black Bay (near Petawawa) in 1861 and married Olive Chartrand in 1863. The balance of the statement recounts the harvesting practices and work experiences of Oliver and his family and the families with whom they associated, being the Turcottes and Chartrands.
 - Ronald Romain Sr. is the great grandson of Oliver Paquette Sr. through his mother Alexina Paquette (RIN #12580) and grandfather Francois Xavier Paquette (RIN #12579). He is a Second Cousin of the respondent. They share ancestors from Oliver Paquette Sr. and previous generations of ancestors.
 - The 1863 marriage between Oliver Paquette Sr. and Olive Chartrand, which took place in Pembroke in 1863, is documented as cited above.

White Owl newspaper article

An undated newspaper article entitled "All Around Us" references "White Owl Paquette" and his brother Garfield as knowledgeable about muskellunge fishing on the Petawawa River. The newspaper article does not include any relevant information regarding the ancestor Joseph Paquette.

Emile Paquette newspaper article

An undated newspaper article entitled "42 Years a Trapper And Still Going Strong" recounts the story of Emile Paquette of Petawawa who has a trapline in Wylie Township. Emile learned to trap from his father, presumably Alexandre Seraphin Paquette (b. 1881) who trapped until the age of 84. Emile Paquette is the grandson of Oliver Paquette Sr. and therefore shares the same ancestors as the respondent. The newspaper article does not include any relevant information regarding the ancestor Joseph Paquette.

Photographs

The Enrolment Officer acknowledges the submission of family photographs identifying members of the Paquette family harvesting and canoeing. Some locations are identified in Algonquin Park. The majority of individuals in the photographs are identified. The Enrolment Officer has no comments on these photographs.

Oral history, lifestyle, experience, and beliefs of respondent and his community

The Enrolment Officer's responding report is confined to commenting on information related directly to the ancestor and is undertaken to confirm whether the oral history pertaining to the ancestor at issue is consistent with the available historical documents, if any. The Enrolment Officer does not have any comments on the lifestyle, personal experiences or personal beliefs of the respondent and his community.
