#### 1. Introduction

The Tribunal received responding submissions from two parties in support of keeping the ancestors Frederick and Walter Ferris (RIN #5208 & #2196) on the Schedule of Algonquin Ancestors. The submissions are posted on the Tribunal's website at: https://www.tanakiwin.com/tribunal/frederick-ferris-and-walter-ferris-3/

They appear on the website as:

- Document 11 Submission by Chief C. Bastien on behalf of his community. It was dated April 24, 2023.
- Document 12 Submission by B. Hewer. It was undated.

The submissions are responding to the Enrolment Officer's Reply Report which appears on the Tribunal website as:

 Document 10 – Enrolment Officer's Reply to submission 8 re 5028 & 2196. It was dated April 13, 2023.

This reply report addresses the content in the Respondents' submissions that are relevant to the Tribunal's inquiry, which is to determine whether Frederick and Walter Ferris (RIN #5208 & #2196) are identified in a historic record or document dated on or before December 31, 1921, in such a way that it would be reasonable to conclude that either or both of them were considered to be an Algonquin or Nipissing, or a sibling of such a person. A "sibling of such a person" means a person with a common Algonquin parent.

The Respondents' submissions refer to some documents and facts that are contained in the Enrolment Officer's Reports (posted as Documents 1 and 10). As noted in the Enrolment Officer's Reports, archival documents recording a family's life events have been assigned ALG document numbers; RIN numbers have been assigned to individuals discussed in the report to aid in identification. RIN numbers, ALG document numbers, and/or page numbers of existing reports will be referenced in this report for ease of discussion.

## 2. Document #11 – Responding Submission by Chief C. Bastien on behalf of his community

The Respondent Chief C. Bastien submitted a 21-page report stating that there is a connection between the Joseph Ferris named on the 1901 census, and Frederick Ferris and Nancy Ann Good. The Respondent Chief C. Bastian submits that the Joseph Ferris named on the 1901 census is a descendant of Frederick Ferris and Nancy Ann Good. The Respondent is advancing this position as the Joseph Ferris named on the 1901 census as "Algonquin."

Frederick Ferris (RIN #5208) and Ann Nancy Good (RIN #5209) are the parents of Walter Ferris (RIN #2196) and Joseph Ferris (RIN #14096). Frederick and Walter are the subject ancestors under review by the Tribunal.

The Respondent Chief C. Bastien submits that the Joseph Ferris noted on the 1901 census in Cameron Township (the submitted document) is the son of a man named Joseph Ferris (Sr.), as shown on Joseph Jr.'s 1913 death record. The Respondent submits that the Joseph Ferris (Sr.) is the son of Frederick Ferris and Ann Nancy Good and the brother of Walter.

In this section of the report, the Enrolment Officer comments on the possibility that Joseph Ferris named in the 1901 census is the son or grandson of Frederick Ferris and Nancy Ann Good.

The Enrolment Officer notes that a Joseph Ferris (RIN #14096) was born about 1845, the son of Frederick Ferris and Ann Nancy Good and, therefore, the brother of Walter. This Joseph Ferris (RIN #14096) married Sophie McDonald (RIN #14099). According to documents held by the Enrolment Office, Joseph and Sophie had a daughter Mary Cecile Ferris (RIN #2177) in December 1867. He died before 1883. The Enrolment Office has no record of a Joseph Ferris (Jr.) being born to Joseph Ferris (Sr., RIN #14096) and Sophie McDonald.

Note that Sophie McDonald (RIN #14099) is the daughter of Alexander McDonnell (RIN #14097) and Mary Ann McKay (RIN #14098). Her paternal grandparents are Allan Lundy McDonnell (RIN #57432) and Margaret Ann Cameron (RIN #14101). Her maternal grandparents are John McKay (RIN #14746) and Elizabeth Nettawabank dite Nikens (RIN 314747). Sophie McDonald (RIN #14099) is the full sister of Anna McDonald (RIN #2197) who is on the Schedule of Algonquin Ancestors and is currently under review.

A Joe Ferris was found on the 1891 census for the township of Maria and Head in Renfrew North, noted as 18 years old (born circa 1873) in Quebec. He was living in a household with Narcise Marcote, his wife Mary and three young children (Alice Julia and Furtinean). There is no ethnicity question on this census.

On the 1901 census for Cameron Township in the District of Nipissing, a Joseph Ferris is listed. According to the census he was born on May 15, 1873, and noted as being "Algonquin." He was a hunter, living in an establishment with a foreman and 19 other men.

A 1913 burial record names a Joseph Ferris buried in Mattawa at age 35, the son of the deceased Joseph Ferris.<sup>3</sup> The corresponding civil death record, identifies Joseph Ferris as a "Halfbreed Indian" born at the River Dumoine, Quebec. He was killed by a CPR train. His father was listed as Joseph Ferris. No mother's name was given.

A search was conducted of baptism records, the 1881 census, and the 1911 census for a man named Joseph Ferris born circa 1873, with a father also named as Joseph Ferris. No results could be found.

<sup>&</sup>lt;sup>1</sup> ALG-40604 document supplied by Respondent.

<sup>&</sup>lt;sup>2</sup> ALG-01368

<sup>&</sup>lt;sup>3</sup> ALG-40605 and ALG-01725 document supplied by Respondent.

Little is known about the life of Joseph Ferris (RIN #14096), the son of Frederick Ferris and Nancy Good. The 1861 census for the Township of Aberdeen, Pontiac, lists Frederick Ferris, 49, living with his wife, 40, and four sons, Richard, John, Walter and Joseph. Joseph was listed as 16 years old, working as labourer, which would put is birth year around 1845. This census page also shows a sketch of the mouth of the Dumoine river where it empties into the Ottawa River. Recall that the 1913 civil death record for Joseph Ferris, listed above, gives his place of birth as the "Mouth Riviere Dumoine Que."

The family of Frederick Ferris and Nancy Good were also enumerated in the 1871 census for Deep River, Pontiac North, living with their son Joseph.<sup>5</sup> Joseph was listed as being 24 years old, born in Quebec, Irish and a farmer by occupation. That census would put Joseph's birth year around 1846-47.

We know that this Joseph Ferris (RIN #14096), the son of Frederick Ferris and Nancy Good, died before 1883 as he is identified as deceased on the marriage record of his daughter Marie Cecile in 1883. Therefore the Joseph Ferris on the 1901 census is clearly not the son of Frederick Ferris and Nancy Good.

Joseph Ferris (RIN #14096) was born circa 1845, therefore it is possible that he could be the father of the Joseph Ferris named in the 1901 census who was born circa 1873 and identifying as Algonquin. However after additional research no document could be found that solidifies a connection between the two Josephs. We are also unaware of the name of the mother of the Joseph Ferris listed on the 1901 census. Consequently, it is possible that the Algonquin heritage could come from his unknown mother.

The information provided by the Respondent is inconclusive as to the link between the Joseph Ferris identified as Algonquin on the 1901 census and his purported grandparents Frederick Ferris and Nancy Good. Nor does it provide a clear indication of the tribal affiliation of either Frederick or Walter Ferris.

#### 3. Document #12 - Responding Submission by B. Hewer

The Respondent B. Hewer submitted a birth registration of Joseph Anthony Beverly McIsaac (RIN #10675) the son of John McIsaac (RIN #10217) and Virginia Ferris (RIN #10218). On the birth registration, dated July 31, 1939, both parents are identified as "Indian."

The Enrolment Officer can verify that John McIsaac is the grandson of Mary Petrin (RIN #4762) and John McIsaac Wajaw (RIN #4761). Mary Petrin is an Ancestor currently under review by the Tribunal. Virginia Ferris is the daughter of Walter Ferris (RIN #2196) and Anna McDonald (RIN #2197) both of whom are currently under review.

<sup>&</sup>lt;sup>4</sup> ALG-40077 cited in Enrolment Officer's Report on page 8 (posted as Document 1).

<sup>&</sup>lt;sup>5</sup> ALG-22439 cited in Enrolment Officer's Report on page 8 (posted as Document 1).

<sup>&</sup>lt;sup>6</sup> ALG-00946

The Enrolment Officer notes that the identification of John McIsaac and Virginia Ferris as Indian does not add any new information regarding their tribal identity.
