

The following submission is made by B. Majaury in response to  
“Document 16 – Submission by Council of AOPFN (McDonald)”  
regarding ancestor Michel McDonald

**Email received on May 9, 2023**

I regret that this response is necessary, but unfortunately it is.

The statement that I Bob Majaury engaged in "unwarranted conflict with citizens of Pikwakanagan First Nation Reserve" is untrue. I can only imagine who the author of the statement is, because it is not signed.

I have absolutely nothing negative to say about any member of Pikwakanagan First Nation. They have their reasons for what they want the result of the hearing to be, and I have mine. Please let the truth prevail.
